Mission Statement:

We are a group of concerned parents and patrons devoted to the success of the Marionville Comet Student Athlete Program. Our vision for MHS and MMS is to provide each student athlete with the opportunity to pursue excellence in Middle School and High School athletics. To support this vision, the mission of the Marionville Comet Athletic Boosters is to assist the Marionville Middle School and High School with the financial and human resources needed to provide our student athletes with the finest facilities, equipment, and programs that we can provide.

We would like to take this opportunity to invite and encourage all those who are concerned with the success of the Marionville Comet Student Athletes to show their support by joining the MHS ATHLETIC BOOSTER CLUB. Money collected from memberships goes directly to meet the needs of any and all of the MHS and MMS athletic programs. When you join, your name will be displayed at all home games for the community to see your support of this organization.
