July 29, 2020

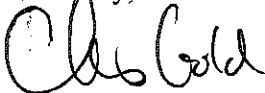

Patrons, Parents, and Students,

I want to take this opportunity to thank those of you who responded to our Patron Return to School Survey. It was great to hear from you and we very much appreciate your feedback. One notable outcome of the survey was that 95% of the respondents favored returning to in person instruction for the 20-21 school year.

It is our intent to return to traditional, in person learning on August 26, 2020. Please refer to the website links for Return to School and Educational Options for a brief description of our safety protocols and options for student learning this year.

We cannot wait to see our students return to school in August! Our school is vital to the success of our community and our students are our future. Our continued partnership with our parents and families will lead to many opportunities for student success and growth as we move forward.

Sincerely,

Chris Gold
Superintendent of Schools
Marionville R-9 School District
