

2014 – 2015 Year In Review

Thank you for your Support of the
Marionville PTA throughout the School Year!

The PTA was organized in October of 2012 to provide support to our Teachers, Students and Parents. Without the support of all of our PTA Officers, Volunteers and Faculty our PTA and the events we were able to hold would not have been possible. We were able to raise funds from our events below to provide food, fun and activities throughout the year at our events below.

Back to School Bash

August 2014

Served hot dogs and drinks to the faculty, families and kids.

Fall Family Outings

October 2014

Hosted a hay ride and pumpkin picking for the kids where they were able to pick their own pumpkins and participate in hay mazes and other activities offered at the Marionville Pickin Patch.

Rocco's Pizza Family Night fundraiser where we waited tables, washed dishes and raised money for the PTA.

Christmas Family adoption

December 2014

Created a "Helping Others Warms the Heart" snowflake board where kids and faculty could pick a snowflake with an item listed to provide for a family from our community in need to provide them with a very special Christmas.

Parents Night Out

January 2015

At our family fun night we had over 100 in attendance, served hot dogs, chips, popcorn, drinks and watched Big Hero 6.

Valentines Party

February 2015

Provided snacks, games and a craft project where the kids decorated their valentines sack in lieu of making boxes from home.

Read-a-thon

March 2015

Raised close to \$2,000 with about 35 students participating in grades pre-K-5th. Provided prizes to all participants ranging from crafts to puzzles, books, board games, sporting equipment and legos.

Organized a door decorating contest for Dr. Seuss's birthday and provided ice cream sandwiches for all participants.

Organized a school visit with the help of Mrs. Mueller by author Jefferson Knapp who talked to the students about growing up as an ordinary boy in an ordinary place (Wichita, KS) and took these ordinary things and transformed them into a magical fantasy series using nothing more than his own imagination.
