Dear Students, Parents, Patrons & Staff:

Each year the Department of Elementary and Secondary Education gives each district in the state a document titled the Annual Performance Report (APR). The score is based on:

- Academic Achievement
- Sub-Group Achievement
- College & Career Readiness
- Attendance
- Graduation Rate

We anticipate receiving our scores from the spring 2018 testing window in January 2019. There has been a delay and no schools will have final APR scores until after the first of the year. We appreciate your patience and understanding.

The school year has gotten off to a great start and we look forward to continued excellence here at Marionville R-9 Schools!

Sincerely,

Chris Gold  
Superintendent of Schools
