Dear Students, Parents, Patrons, and Staff,

Each year the Department of Elementary and Secondary Education generates an Annual Performance Report (APR) for all districts across the state of Missouri. The score is based on:

- Academic Achievement
- Sub-Group Achievement
- College & Career Readiness
- Attendance
- Graduation Rate

We are pleased to announce the Marionville R-9 School District earned 98.3% of the points possible. This is a tremendous achievement! This is an increase from last year's score of 95.4%.

## Annual Performance Report

The Marionville School District would like to thank all the students, parents, and employees who made this wonderful achievement possible. Way to go Comets!!

Sincerely,

Chris Gold  
Superintendent of Schools
