Dear Students, Parents, Patrons & Staff:

Each year the Department of Elementary and Secondary Education gives each district in the state a document titled the Annual Performance Report (APR). The score is based on:

- Academic Achievement
- Sub-Group Achievement
- College & Career Readiness
- Attendance
- Graduation Rate

I am happy to announce that the Marionville R-9 School District has earned a score of **95.4%** for the 2017-2018 school year. The past four years, listed below, reflect a commitment to educational excellence on everyone's part associated with the educational process at Marionville R-9 Schools.

2017 APR	95.4%
2016 APR	97.9%
2015 APR	98.2%
2014 APR	94.3%

We look forward to an equally successful 2017-2018 school year and are confident that we will be discussing similar results next fall.

Sincerely,

Larry L. Brown, Ed.D.  
Superintendent of Schools
